Davenport North and Davenport Juniors Summer Camp 2013

Wildcat Summer Camps provide individual instruction on the fundamental skills associated with the game of volleyball. Our camp also includes game play that focuses on character and team development. The coaching staff will instruct based on the principles of North High Volleyball: discipline, hard work, loyalty and passion for the game. We strive to have our campers leave everyday feeling as though they have worked hard and have become better volleyball players.

Please join us!
